

Welcome to Metromax

[AUSTRALIA WIDE](#) [MANUFACTURING & DISTRIBUTION](#) Metromax Sheds is an Australian operated company proudly staffed by qualified personnel who boast many years experience in the shed and fabrication industries.

We are supplied by the Metroll Building Products Group, which has more than 26 manufacturing and distribution locations throughout Australia - giving Metromax the ability to service clients nationally.

Our buildings are manufactured from top-quality Bluescope Steel and Australia's premium suppliers of windows and roller doors and come with the Steel Safe Warranty which guarantees the building structurally for up to 10 years.

Our buildings are fully engineered for the Australian market and the toughest of Aussie weather conditions, and come with the certification needed for council approval. Our designs can be tailored to your needs and with a full range of flexible plans and our broad colour selection, you're sure to find the right shed for your project.
